

Spring Learning Programme

Spring Learning Programme

Puzzles to papercraft: members lead new learning initiatives

u3a members share their skills in the new Spring Learning Programme with many opportunities to learn something new

You can get now get involved in our new u3a Spring Learning Programme. It is packed with member-led initiatives from across the movement, sharing skills, talents - so there's lot of new things to learn.

As a member of u3a, you can get involved with the u3a Book Group Forum, Logic Puzzles for Fun, Extreme Crochet and Paper Craft, to name a few.

Alison May, Head of Member Services, says "We're so excited to launch the new Spring Learning Programme. We've been working with members across the movement to showcase their talents and share with colleagues and friends in the u3a who want to learn something new. Our initiatives are always popular so don't miss out; sign up to try a new challenge."

Our Book Group Subject Adviser Richard is leading on the u3a Book Forum, Logic Puzzles for Fun are led by Norwich u3a member Gordon, Extreme Crochet is led by Trust u3a member and crochet enthusiast Chris, Kirigami by Forest Town & District u3a member Bob.

Not a u3a member? [Join us now.](#)

Take part on [our learning pages now.](#)

If you would like to help us with the running of any of these initiatives, [please get in touch.](#)

As well as our learning programmes, there are member-led events every month. Find them on [the online events page.](#)
